OF CORRECTION

Sir:

Applicants hereby request corrections to the above-identified Reissue patent. These corrections reflect the actual language of claim 10 as evidenced by contents of the file history. The corrections sought are listed in the enclosed PTO-1050 Certificate of Correction form.

The errors and omissions in claim 10 have resulted from amendments to the claim which were entered and considered by the Examiner. However, they do not appear to have been taken into account in the preparation of the application for printing. Specifically, in an amendment filed on February 8, 1996, Applicant amended claim 10 to include the

changes highlighted on the PTO-1050. However, the Reissue does not reflect these changes.

Accordingly, processing of the enclosed Certificate of Correction reflecting the corrections to claim 10 are eagerly anticipated. If any questions arise, please contact the undersigned at (703) 838-6642.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
